If your email setting is set for rejecting mail reception, please set the domain for [@phoenix-c.or.jp] and [@pxc.jp] as a receivable domain. We will send some important notices.

◆ Payment method (Choose a way to pay)

Bank account (Bank transfers are to be completed on the 27th of every month)	<input type="checkbox"/>	Please fill out the required items on the "Bank Account Transfer Request Form", stamp the form with your official seal, and send back it to us. Bank transfer setup takes about 1-2 months to complete. We will send you invoices by physical mail until payments by bank transfer begin, so please make payment manually via these invoices until setup is complete.
Credit card	<input type="checkbox"/>	We will send you an email with a credit card payment link to online applications for setting up credit card payment and changing card company or card number information. Your credit card company will bill you for internet charges every month.
Paying by invoice	<input type="checkbox"/>	Business customers only. We will send you an invoice. Please transfer the money to the specified bank account by the deadline noted on the invoice. Payment condition: Closings take place at the end of each month with payments made the following month. - We will issue a payment invoice (¥220 per month)
Use registered payment methods	<input type="checkbox"/>	We will bill you in total using the payment method of the Otari Village CATV and Internet service you have already subscribed to.

*Notice

It is NOT possible to use a credit card/bank account which carries a name different from that of the applicant.

If you change your payment method, be sure to choose one of the designated payment methods.

*The first billing will be the total of the Initial cost and the monthly subscription fee in the month following the month in which you start using the service.

*If you suspend during the period of continuous subscription, you will not be able to view CATV during the suspension period.
